

LILJA ELEMENTARY SCHOOL

LILJA PLAYGROUND PROPOSAL

ANNE CAROTHERS, PRINCIPAL

CONTEXT

- **addition of modular classrooms needed for increased enrollment (removal of existing K playground)**
- **renovation of existing playground**
- **two sets of structures collapsed into one space**
- **community interest in expanding the options**

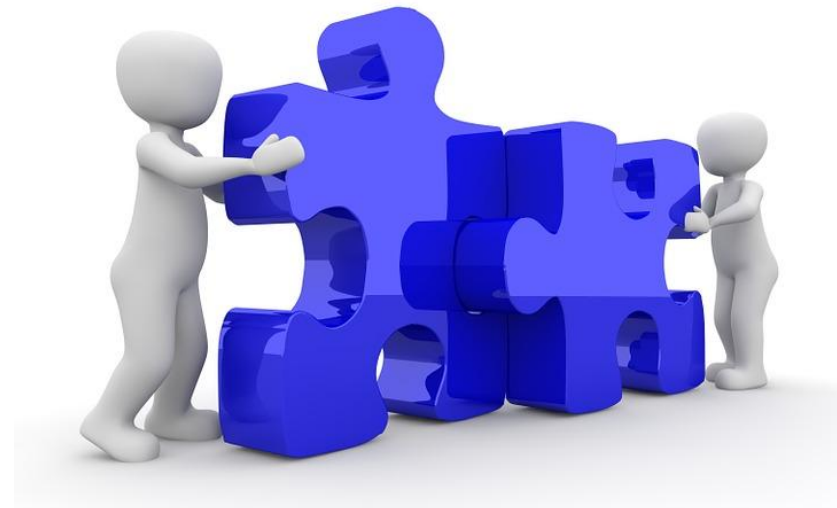

FUNDING SOURCES: INCLUDE THIS??

- **modular budget**
- **money raised through the PTO (sale of bricks to be included in the playground)**

ADDITIONAL EQUIPMENT: DESIGN PROCESS

- gathered input from all 3rd and 4th graders
- put out to bid and received proposals from 6 companies
- reviewed proposals with all 3rd and 4th graders
- one proposal was the decisive winner

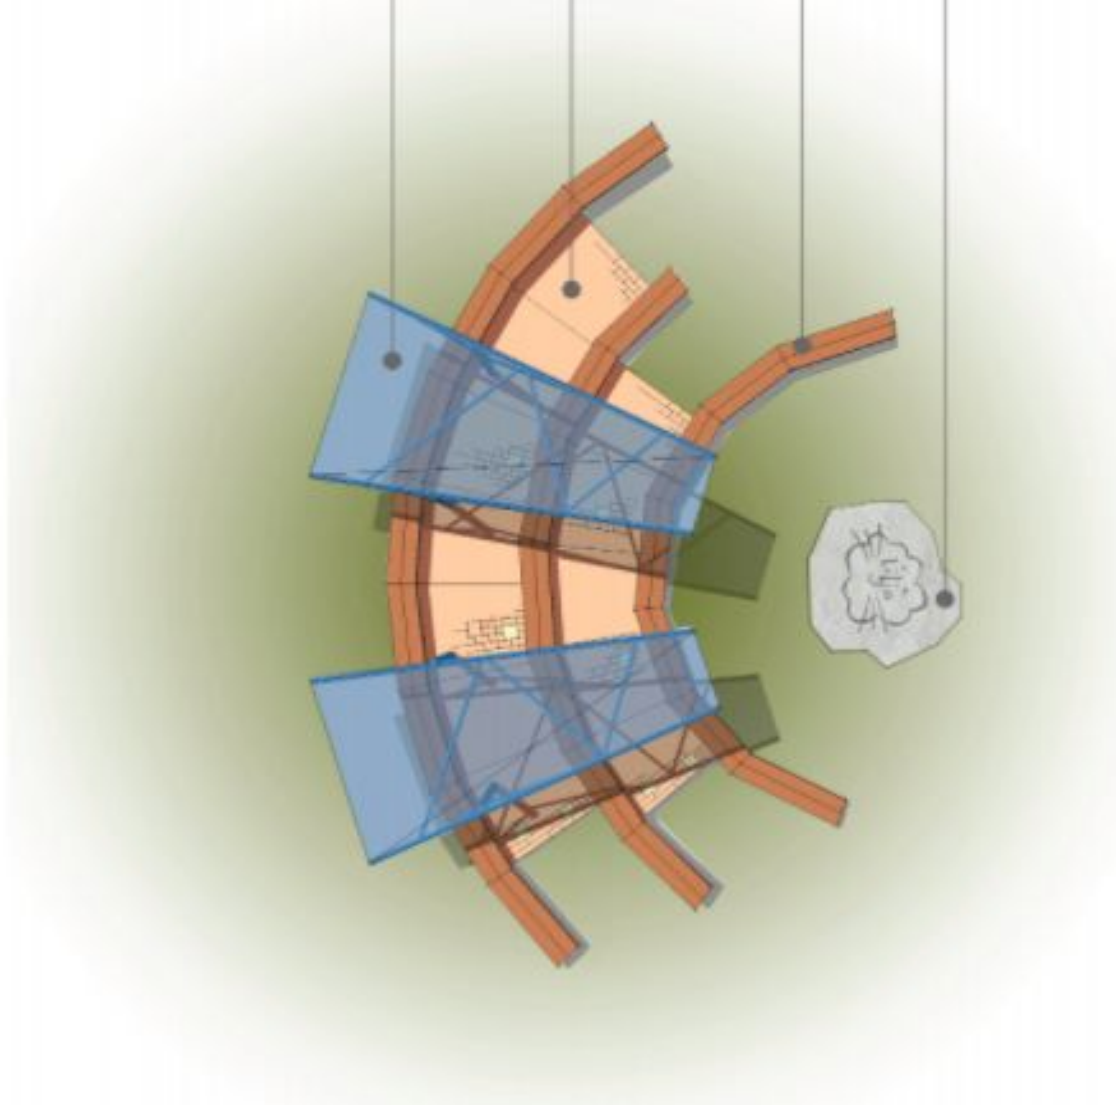

BRICKS

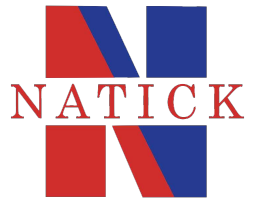

- *purchase of bricks made this proposed addition possible*
- *proposal is to use them to improve the existing amphitheater*
- *currently in bad shape*
- *plan is to*
 - *put in bricks as a flooring*
 - *fix up existing seating*
 - *eventually add shade*

PROPOSED SIDEWALKS

This proposal includes a plan to bring our current playground up to ADA code through the addition of sidewalk from our hilltop to the amphitheater and the lower field equipment.

WE ARE SO EXCITED ABOUT THESE PROPOSALS!
