The Yale Debate Association (YDA) is an undergraduate organization of Yale University in New Haven, CT. Every year, the YDA travels throughout the United States and the world to compete in Parliamentary Debate.

To encourage speech and debate among high school and college students, the YDA hosts several tournaments each year. Our five annual tournaments are the Yale Invitational Tournament, the Adam's Cup Tournament, the Osterweis Tournament, the Yale College Intervarsity Tournament, and the Yale College Parliamentary Debate Tournament.

Yale Debate Association Twenty-Seventh Annual Invitational Tournament

September 2019

Dear Speech and Debate Coach:

On behalf of the Yale Debate Association, we invite you and your team to the twenty-seventh annual Yale University Invitational Tournament from Friday, September 13, to Sunday, September 15. The tournament will consist of competition in Varsity and JV Lincoln Douglas Debate, Public Forum Debate, Policy Debate, Student Congress, Parliamentary Debate, and seven Speech events.

Year after year, our tournament grows and gains more national recognition for its high level of competition. Like last year, quarterfinalists in Varsity Lincoln Douglas debate, octofinalists in Public Forum debate, and semifinalists in Student Congress will earn bids to the Tournament of Champions. In addition, finalists in DI, HI, Duo, EX, OI and OO will earn a bid to the University of Kentucky TOC.¹

We are pleased to offer a team of nationally recognized and successful tab coordinators. This year, tab will be directed by Mike Vigers. Student Congress tab will be led by Alexandra Sencer. In addition, we have Crawford Leavoy and George Clemens in Lincoln Douglas tab and Sheryl Kaczmarek in Policy tab. Speech tab staff will be led by Joe Vaughan. Public Forum tab director is Jeff Kahn. Parliamentary Debate tab director is TBA. We know that we can trust in the ability of our tab staff, as well as an excellent pool of judges, to help run a smooth tournament.

The information provided within this invitation and on our tournament website, <http://yalehst.tabroom.com>, should answer any questions that you may have about our tournament. If you need additional assistance, please email us at yaleinvitational2019@gmail.com. Please do not hesitate to contact us by August 18 if your team is experiencing financial difficulties.

Best wishes for a restful and enjoyable summer. We look forward to seeing many of our old friends in New Haven in September.

Sincerely,

Ella Fanger and Trent Kannegieter

¹ Speech bid level contingent upon number of entrants in each category.

The 2019 Yale Invitational Tournament

Note: Please read the entire invitation. Even if you've been at the tournament before, some information has changed. All rules are also subject to change at tab's discretion. The tournament will make participants aware of any such changes at registration.

Varsity and Junior Varsity Lincoln Douglas Debate

The resolution will be the September-October National Speech and Debate Association (NSDA) topic. Both LD divisions will follow the 6-3-7-3-4-6-3 format. Debaters will have 5 minutes of prep time. Ties will be broken based on record, high/low adjusted points, double-adjusted points, opponent's record, total points, judge variance, and coin flip, in that order. There will be six rounds in both Varsity and JV; the break will be to double-octofinals in both LD divisions. If necessary, there will be a run-off in VLD of 4-2s.

Students in 9th or 10th grade, and those in 11th grade with less than two years' debating experience, may enter JV LD but should also feel free to enter VLD. Students with more than two years' experience and those in 12th grade should enter VLD. Any student who broke at a national tournament in JV LD last year should enter VLD. We strongly encourage coaches to choose divisions with the educational purpose of debate in mind. That purpose is hurt if overqualified debaters compete in JV. Students should not enter JV LD to win trophies; JV LD is a learning division.

Policy Debate

There will be a single, open division of policy debate using the 2019-2020 NSDA resolution. Teams will give eight-minute constructive speeches, three-minute cross-examinations, and five-minute rebuttals and will have ten minutes of prep time. Ties will be broken using the same criteria as Lincoln Douglas Debate. We have changed our schedule to include six preliminary rounds, and we are expecting to break to octofinals.

Public Forum Debate

There will be both Varsity and Junior Varsity divisions of Public Forum Debate. We will follow the new NSDA pilot rules. Mainly, this means that teams will get one additional minute in each summary speech (for a total of three minutes per speech), and one additional minute of preparation time (for a total of three minutes preparation time). The tournament will be using the NSDA topic for September/October of 2019. Ties will be broken using the same criteria as Lincoln Douglas Debate. The Varsity division will break will break to triple octofinals; our intent is that all JV teams with a 4-2 record will also break to elimination rounds.

Student Congress

There will be a single, open division. Sunday's competition will feature a semifinal and final round.

Our legislation submission process is new. We will be using tournament specific Google forms. Legislation will *only* be accepted through the completion of one of the submission templates. Only one item may be submitted by each registrant. Legislation from authors not registered for the tournament or legislation not received by the prescribed deadline will not be included. Questions about this process should be emailed to yalesclegislation@gmail.com.

Parliamentary Debate

There will be a single, open division of Parliamentary Debate. We will follow the American Parliamentary Debate Association (APDA) format with its 7-8-8-8-4-5 speech times. For a full style guide, please visit the tournament website. We will release the straight-link resolution 15 minutes before the start of each round. There will be **five** rounds on Saturday, double-flighted, with a break to quarterfinals. We may run partial/full octos depending on the size of the field.

Speech Events

Students will be limited to entering a maximum of two events. We will again be scheduling **five preliminary rounds** instead of four.

Students may enter each event only once. Students may use the same source material in only one event. For example, a student may not perform the same piece for OI and DI. Students performing the same source material in more than one event will be disqualified from **both events** at tab's discretion. Two works from the same collection, volume, or anthology do not qualify as the same material. However, two cuttings from the same work do. Feel free to email us in advance if you have questions about this rule.

Extemp, Oratory, DI, HI, POI, and Duo will follow **National Speech and Debate Association (NSDA)** rules and guidelines. *Oral Interpretation of Literature* will follow **National Catholic Forensic League (NCFL)** rules and guidelines. We will use the NCFL's guidelines for published material in Interp events. The grace period will be 30 seconds for all speech events. Any IE participant who exceeds the grace period may not receive a rank of one in the round. Any further penalty will be at the discretion of the judge. A participant may be penalized for a time violation only if the judge has used a precise timing device and notes the penalty on the ballot.

Speech events will break to either quarterfinals or semifinals based on the size of the events. An event with 60 or more competitors will break to quarterfinals. Speech tabbing will be cumulative throughout the tournament, with the worst prelim score dropped. We will advance as many students tied on ranks as logistics permit to each consecutive elim round. If there are too many tied competitors to advance all competitors with a given cumulative score, ties will next be broken by reciprocal ranks. Students on the edge of breaking who are tied on both ranks and reciprocals will always be advanced to the next elim round. The Extemp final round will feature cross-examination in accordance with NSDA rules.

Source Integrity

Debate:

All students must bring copies of all sources, which must include the full context of the citation, not simply a retyped list of short sentences and quotes. Upon request, competitors must make these sources available to their opponent(s) in the round and/or their judges (after the round). Debate entries failing to do so or debaters who significantly misrepresent sources in the round may be disqualified at tab's discretion.

Speech:

Speech contestants should have the full original source and their cutting of all material in interpretive events available at the tournament. Oratory and Extemp students should have the text of any material they cite in their speeches available at the tournament. Students misrepresenting sources or using unavailable sources may be disqualified at tab's discretion.

Judging Requirements

Teams should bring one qualified judge for every three LDers, PF or Parliamentary teams, every two Policy teams, and every five Speech entries, rounded up in the case of fractional obligations. Teams with Congress entries must bring one Congress judge. In LD, Varsity and JV pools are separate; you may not cover entries in a Varsity division with JV judges, nor can you cover entries in a JV division with judges you enter into the Varsity pool. **Judges cannot be current high school students.**

Judges in LD, PF, Parli, and CX are obligated to stay and judge one round past any round in which their students are actively competing, excluding any runoffs. That is, these judges are obligated for the first full break round following a runoff, and then one round past their students' participation after that. We assume judges will stay past their obligation unless we hear otherwise. **Contact us if you are leaving.**

ALL Speech judges and ALL Congress judges are obligated for ALL rounds of the tournament.

Congress judges may be swapped into another judging pool. Please indicate when registering which other pool a Congress judge would like to judge if we cannot use him/her in Congress. Likewise, qualified Speech judges may also be asked to judge Congress.

Please keep in mind that a qualified judge understands the activity and is either experienced sitting in the back of the room with a ballot or flow pad or has been carefully trained by the team he or she is accompanying. A qualified judge knows how to assign ranks or wins/losses, speaker points, and knows how to fill out a ballot. Please do not try to sneak in an untrained ringer. When you provide an incompetent judge, we usually find out about it only after a number of competitors have been unfairly adjudicated.

We are also committed to hiring a quality pool of judging. Given the relatively small number of judges in the New Haven area, however, bringing this pool to Yale is both complex and expensive. To aid us in that effort, the registration system will ask you to explicitly request judge hires. Please request early; we will not harm the quality of our tournament by oversubscribing hired judging. **Judges dropped after registration is frozen on Monday, September 9th will incur a substantial fee, even if students are dropped to compensate.** Similarly, if you add a judge after September 9th, you still have to pay for the hired judges you signed up for, unless someone else should need a last-minute hire, since we will be paying that judge either way.

We charge for hired judges by the student, not by the whole judge. For example, if you have seven IE students entered, and only one judge covering five of those students, you owe two hired judging fees. This system is fairer because it does not require you to hire a whole judge just to cover a fractional obligation. Speech or Congress hired judges cost \$50 per entry they cover. If you have 12 entries and two judges, your hired judge costs \$100. Congress judging carries a maximum charge of five entries. You do not need to hire for entries beyond your first 5. LD and PF hires cost \$90 per covered entry. We also pay these judges more

for judging Friday night. Policy debate hires cost \$125 per covered entry. Parliamentary debate judges cost \$90. Partial fees will also apply for your judges who are only available for part of the tournament, since we cover these slots with judging.

We will also be asking for judge cell phone numbers at registration on the tournament website. Keep in mind that the more judge cell numbers you register, the fewer times we'll be calling you. Schools whose judges fail to appear for an assigned round will be fined \$25 for a prelim round or \$50 for an elim round. Judges fined may compensate by judging rounds beyond their assignment. We do not want your money; we want judges to show up. However, schools with unpaid fines will not be given ballots or awards, and they will be prevented from registering at other tournaments we run until those fines are paid. **Our tab staff runs many, many tournaments. Don't break the rules, or else you will be prevented from competing at any of those.**

LD Mutually Preferred Judging

Yale will again be using Mutually-Preferred Judging in LD Debate. Each debater in the Varsity division, provided their judging obligation is covered, will be able to rank all judges from 1-6 (6 being a strike). Conflicts will be handled separately, and instructions will be provided for defining conflicts both for teams and for judges; keep in mind that a conflict is a judge who likes you too much, not another chance for you to get more strikes. Students found to be misusing conflicts face repercussions up to and including disqualification from the tournament. Tab will post its process (1-1s top priority, then 2-2s, etc.) in August.

EXTREMELY IMPORTANT REGARDING RANKING: There is a tendency among some programs to think that MJP somehow favors more progressive styles, and therefore they disparage and ignore it. As a result, tournaments that would otherwise have judging amenable to all end up having judging more amenable to progressive debaters. **The more people who rank, the fairer the tournament will be to all styles of LD debate.**

All judges should still submit a paradigm on Tabroom.com that indicates to competitors before a round a general sense of their vision of debate (if any) or a sense of their experience, to aid competitors in choosing how best to make their arguments.

Additionally, to make MJP as simple as possible, we ask all judges to be ranked on Tabroom registration as Traditional, Circuit, or Trained Newcomer. This should not replace having a Tabroom paradigm but is meant to assist in MJP ratings.

ADDRESSING JUDGE DIVERSITY: Judges who have opted in as diversity-enhancing will be marked on the preference sheet. After a round is paired, and judges assigned according to the procedure above, we will also look at judges who were not assigned to a debate. If an unassigned judge opted in as diversity enhancing, we will look for a debate in which that judge would be a 3-3 or better. That means that we will replace a previously assigned 1-1 or 2-2 with a diversity-enhancing 3-3. The only exception is for debaters on the bubble (exactly 2 losses). Those debaters who were given a computer assigned 1-1 will keep their 1-1. We will never publicize or disclose if such a substitution was made in other instances. When pairings are released, and a debater is assigned a 3-3 who opted in, the debater will not know if that 3-3 was originally assigned or a replacement for a 1-1 or a 2-2.

MPJ ratings will be available on www.tabroom.com on Tuesday before the tournament. They will close Friday morning at 10 AM. If you are not getting a ranking option when you go into your online registration, your judging obligation was not covered.

Please note that the judges you bring need to be the judges you registered online by the deadline. **You may not substitute another judge in a rated pool.** Substituting another judge in a rated pool isn't good enough; people have rated your old judge, not your new judge. **Schools that change their judges after online MPJ ratings have begun will lose all their MPJ ratings.** Do not bother to bring judges unregistered by the deadline; they are useless to the tournament. If you have a judge who has some kind of emergency and cannot come to the tournament, you will have to pay the dropped judge fee to keep your ratings because we will not be change around the judge pool at the last minute.

LD Decision Times & Forfeit Times

Any team arriving later than 15 minutes after the posted start time will be at the risk of forfeit by the tab room. Any team experiencing what they believe to be a legitimate delay should make every attempt to communicate with the tab room if they are going to be late. If a debater becomes unable to debate due to

illness during the course of the tournament, they may miss no more than 2 debates to be able to return and continue debating. Speaker points will be averaged in that situation. Flight A debaters are eligible to forfeit a debate if they are not present in the room they are debating in 1 minute after the posted start time. Flight B debaters need to be present in the room they are debating in 61 minutes after the posted start of the debate. This is true regardless of whether the Flight A debate decision is in. Failure to comply will result in a forfeit. The decision time deadline is 1 hour and 15 minutes after a debate begins in its respective flight.

Flipping in LD Outrounds

Participants in LD outrounds during Flight A should flip 15 minutes before the announced start of the round in the assigned room (or outside the room, if a round is still going on). Participants in outrounds in Flight B should report to the tab room 15 minutes before the announced start of the flight for the flip. If you are not present for the coin flip, the other debater will pick her/his side, and you will be assigned the opposite side.

Tabroom.com

LD, PF, Policy, Parliamentary, and Speech tab will post updates on **tabroom.com**. Please make sure that you have your notifications sent to your cell phones, and that all of your team, including students and judges, are plugged in. Students and/or judges who miss rounds will not be forgiven because of “technical problems.” We have discovered over the years that the inevitable technical problem is that the person suffering from the malady has turned off tabroom.com notifications. Attendance at tournaments in 2019 presupposes that registrants have access to the tools of 2019, and know how to use them.

Note that there is no wireless access at the LD high school on Saturday, so smartphone access in the LD divisions is a must.

Food

Food will be available at all locations throughout the day for purchase so that attendees may eat between rounds. Some locations will be within walking distance of coffee shops, restaurants and other vendors, but these should not be relied upon. Wandering off to eat is not an excuse for being late to a round.

Registration

All registration will be conducted online at <http://yalehst.tabroom.com>. We cannot accept email or phone registrations, but we are happy to help you navigate the registration website. If you have any questions concerning registration, please contact yaleinvitational2019@gmail.com. IE Speaker Codes will be reset on the Wednesday before the competition; therefore, **do not print codes** until you receive an email saying it is time to print codes. Field reports in the debate events will also be posted in advance of the tournament.

Some schools in the past have not reported all their drops to the tournament. An unreported drop is defined as a drop that occurs after the first round of that event. This harms our ability to panel rounds for good competition. Schools with *unreported* drops will be assessed a fee of \$50 per drop. Please notify tab immediately if a student falls ill or withdraws from competition during the tournament. This is for reasons of safety.

Participant Supervision Agreement Form and Release Form

The deadline for submission of **both** the Participant Supervision Agreement form and the Release Form is **Sunday, September 8th at 11:59PM EDT. The Participant Supervision Agreement form is required for students to compete at the tournament. Only one authorized individual per school needs to fill out the form. The Release Form must be signed by a parent or legal guardian of any student under the**

age of 18 who is participating in the tournament. Both forms can be downloaded from <http://yalehst.tabroom.com>, the tournament's Tabroom page.

Please fill out and attach **all of the forms from your school** to an email to yaleforms2019@gmail.com. Please make "[Name of your school] student participation forms" the subject of your email and list the names of the individuals for whom the participation agreement form applies in the body of the email. Additionally, please attach the waiver release forms for all students under the age of 18.

Results

We will publicly post the results of each round in PF, LD and Policy after each round is tabbed, to serve as a double-check. Judges in debate events are encouraged, but not required, to give feedback and critiques and to disclose their decisions to the debaters. However, please be sure the tab room knows the results of the round before you give extended critiques.

Ballots and Awards

Awards will be given to all competitors reaching eliminations. Please pick them up during the awards ceremony, or arrange to have someone else do so on your behalf. **We do not mail trophies.** Please do not ask.

We also do not release ballots early to teams who cleared entries into elim rounds. Non-clearing teams can pick up ballots, but they will not be ready and sorted until Sunday morning after the first elim round. If you anticipate leaving early, bring a self-addressed, stamped envelope of sufficient size and postage to mail your ballots, label it with your school name, and deliver it to tab. We will put your ballots into the envelope and send it after the tournament. Please do not just staple enough money to the envelope; bring actual postage. It's a time and hassle thing, not a money thing.

Transportation and Housing

We have arranged for group rates with a number of nearby hotels and have roughly 400 rooms reserved for the tournament. Unfortunately, many area hotels have increased their rates, but we were still able to negotiate substantial discounts for the tournament. These hotels range from a 2-minute walk to a 20-minute drive from Yale's campus. Our Hospitality director for this year is Alan George. Any questions regarding accommodations can be directed to him at alan.george@yale.edu.

Hotel information will be updated as price points for our hotel deals crystallize.

Caps and Limits

We have limited space. In order to keep the tournament manageable, we will impose limits in a few events. Initially, Varsity LD will be capped at 175 debaters and JV LD will be capped at 100. Speech events will be limited to roughly 120 per category, though typically we are able to accommodate more entries in some events. Initially, Public Forum will be limited to 120 entries. Congress will be tentatively capped at 400, but we expect to be flexible there. Parliamentary debate will likely be capped at 50 teams.

NOTE: This year for tournament registration, we will again begin with universal waitlist status. All entries will automatically be placed on a waitlist. Two weeks after registrations open, we will fairly and evenly take students off the waitlist. **DO NOT MAKE PLANE RESERVATIONS UNTIL YOUR ENTRIES ARE VERIFIED.** No schools will be given an additional entry beyond the initial limit until 7 PM on August 31, to allow other schools a chance to register and get approval. Additional entry slots will be given on a first-

come, first-served basis. The chart below shows the initial school limit in each capped event. This is NOT a guarantee that you will get this many slots, only a limit on how many slots might be granted before 9/2.

Activity	Initial School Limit
Lincoln Douglas Debate	5 in each division
Student Congress	18 total
Public Forum Debate	5 teams
Speech Events	Initial allotments will depend on the number of schools that make requests with the attempt to get every school that registers by the deadline an equitable shot at the available slots
Parliamentary Debate	3 teams

We will hand out waitlist spots as they are available, but we cannot predict when that will be. That is a function of whether other schools drop entries and whether or not the administrations are able to open up rooms, both of which are beyond our control. When you send us an email asking what the likelihood of your getting off the waitlist is, we will simply refer you to this paragraph in the invitation. In previous years, though we have had a wait list through August, we have been able to accommodate almost every student that wanted to compete in the tournament. As in years past, we plan to open registration on **August 1**. In the rare event that date changes, we will post a notification on our website. **Just as last year, students from schools owing outstanding fines to our tournament will be permanently wait listed until those fines are paid.** Those schools will be registered after other schools based on space availability.

Fees

♣ Lincoln Douglas Debate: \$85 per entry	♣ Duo Interpretation: \$60 per team
♣ Student Congress: \$65 per entry	♣ All Other Speech Events: \$60 per entry
♣ Public Forum Debate: \$90 per team	♣ Policy Debate: \$80 per team
	♣ Parliamentary Debate: \$80 per team

Fees are due at registration on the Friday of the tournament. Checks should be made payable to the Yale Debate Association. We cannot accept credit cards. We can accept cash, but we will probably be unable to break large bills or give much change. You must pay your registration fees before rounds begin. If your school's check is late, that will be between you and your school, not the tournament and your school; **payment is required up front.**

Adult Supervision and Independent Entries

This tournament is open only to institutions that award high school diplomas. Students must be representing the school they attend, and their entries sanctioned by that school. All students must be accompanied by their parent or legal guardian, or by a school-approved adult guardian, teacher, or coach who is empowered to deal with emergencies, medical or otherwise. The adult guardian must be a high school graduate; high school students who have passed their 18th birthday do not count. All registrants must provide a name and phone number for an adult contact who will be present at the tournament and is responsible for the students in case of an emergency.

Code of Conduct

The Yale Debate Association would like to remind all attendees of the tournament of the following rules: (1) you must follow all laws from the city of New Haven, CT as well as Connecticut state law and U.S. federal law, (2) you must follow the rules and regulations of Yale University and comply with requests made by officials of the school. We also expect all participants to hold themselves to a high standard of conduct. These requirements include, but are not limited to: (1) following instructions by those running the tournament and officials at the University. Do not wander off and do not go where one has been told not to go. (2) Treat all other attendees and all other people with respect. Do not harass or bully others. (3) Avoid creating safety/security risks for others (such as by propping open doors, going through the trash, bringing anything that could potentially be dangerous, etc.). If those running the tournament find that a participant has broken these requirements, we reserve the right to ban them from the tournament.

Safety

The tab room phone number will be announced on Tabroom in August. Please make all your students and judges aware of this number so they can contact tab. This number is for on-site issues only and will be answered only during the tournament.

The policy of the Yale Invitational concerning consumption of alcoholic beverages by minors, illegal use of controlled substances, vandalism, and destructive, and other illegal or disorderly behavior is: (1) to disqualify involved contestants from further competition, (2) to communicate the offending incident to the contestants' on-site guardians and/or parents, (3) to require financial reimbursement for all damages or liabilities caused directly or indirectly by the incident, and (4) to notify the local legal authorities. The precise remedy or remedies selected will remain at the discretion of the tournament staff. Every student must be accompanied to the tournament by an adult authorized by the student's school and/or parent to care for that student in the event of a medical or other emergency. The contact information for this adult must be given to tab at registration. The Yale Invitational takes no responsibility for the health and safety of students beyond notifying this accompanying adult of concerns or problems as we become aware of them. The Yale Invitational staff reserve the right to refuse entry to the tournament to anyone—be they a competitor, judge or observer—at its sole discretion.
