School Committee Goals for the 2022-2023 School Year and School Committee Norms

Ms. Collins said she did not anticipate any votes being taken. We were given hard copies of the draft if the norms out together by Dr. Fuxman and Ms. Brunell and read by Ms. McDonough. Mr. Bent suggested taking two or three things from the draft to firm goals for the year. Mr. Bent suggested going through the draft page by page. Dr. Fuxman gave a synopsis of what the draft is and said that Ms. Brunell had already done a lot if this. The Committee took a ten-minute break to read the draft.

October 12th was suggested as a possible date for the next meeting. The meeting will be adjourned as Mr. Bent wanted to meet individually with each member. He commented that there is too much first person singular, and that trust is low, manner if talking to people is not helpful. He commented that there are not enough "cues if belonging". Ms. Gorseth suggested that we introduce our bright spots as Dr. Nolin does. Optimistic opening, interactive opportunity, and something about closings.

At approximately, 9:15pm, Dr. Fuxman motioned to adjourn. Ms. Gorseth seconded. It was unanimously approved 7-0-0.

Respectfully Submitted by,

Dr. Donna McKenzie
Clerk, Natick School Committee
